Minutes (Draft)
Annual Report Committee Meeting
State of Hawai’i, Environmental Council
Tuesday, January 7, 2020, 11:30 AM – 12:00 PM
No. 1 Capitol Building, Executive Office on Aging
Room 410, 250 South Hotel Street, Honolulu, HI 96813

Members Present: Rob Parsons (Chair), Roy Abe, Tessie Kinnaman, Robin Kaye,
Stephanie Dunbar-Co,
Public/Guests: Bill Cooper (Deputy Attorney General),

1. **Call to order, roll call and quorum, introductions.**
Chair Parsons called the meeting to order at 11:42 AM, with all members present.

2. **Review and approval of October 1, 2019 meeting minutes.**
October 1, 2019 meeting minutes were

3. **Update on agency interviews, compilation of info for draft annual report.**
Chair Parsons reported that some interview materials have been compiled and that
he and Chair Thoene met with DLNR and DAGS in November. R. Abe reported that
he and Chair Thoene met with DOT. Notes were provided by Chair Thoene from her
meeting with HTA. Chair Parsons reported that Chelsea Harder of Hawaii Green
Growth submitted a short summary of the Aloha + Challenge and dashboard
measures. Chair’s

Report and Past OEQC Director’s Report have not yet been submitted. Chair Parsons
noted that Les Segundo agreed to update the bios of current council members. 5 of
6 agencies provided feedback. S. Dunbar-Co asked what we have and what we need.
No images or graphics are on hand, nor is an overview of commonalities and
differences from agency feedback.

4. **Review of projected timeline and logistics to finalize 2019 Annual Report.**
R. Abe recalled that past draft annual reports have been distributed to council
members for review. Members recognized that the report was unlikely to meet the
January 31 deadline. T. Kinnaman expressed that it made sense to submit it before
the end of the legislative session, around the end of March. S. Dunbar-Co suggested
reviewing all the agency responses, with members choosing one agency each:
R. Abe—DOT; R.Kaye – HTA; S. Dunbar-Co – DLNR; R. Parsons – DAGS. Members
agreed to use a loose format of: 1) Table or list of issues presented; 2) Summary of
agency concerns; 3) Section to bring together common themes. Time would be
needed to allow agencies to review our summary of their comments. Need a
template, and perhaps Onaona’s help, since she attended all the meetings.
Uncertain whether DBEDT returned comments. DOH may have submitted written comments’ need to check with Onaona. Chair Parsons asked who will do the layout and format work, once text is compiled.

5. **Other business and public input or testimony.**
R. Kaye inquired to whom the report is legally submitted. He further asked, if we want an extension, whom do we ask? Even if we don’t need to ask, we could send notice of the report’s delay as a courtesy. Deputy AG Cooper agreed to research to whom a notice should be submitted. R. Kaye noted that with an upcoming meeting to include Senator Gabbard and Representative Lowen and/or staff, we could discuss need for funding to support EC mandates. S. Dunbar-Co noted that without an OEQC Director and with staff shortages, and no budget, we won’t be able to produce the report on time.

6. **Next meeting date and agenda.**
Next meeting was tentatively set for February 4, 2020.

7. **Adjournment.**
Meeting adjourned at 12:12 PM.
